

EXIM Internet Group, Inc. (OTC: EXGN.PK) announces its intention to acquire XP Solutions Ltd (xps.bg), a well-established European based professional IT firm.

Sofia, BULGARIA -- (MARKET WIRE) – March, 1st, 2006 -- EXIM Internet Group, Inc. (OTC: EXGN.PK), operator of export/import industry oriented B2B web properties, is in final negotiations to acquire majority stake in XP Solutions Ltd (<http://xps.bg>), a well-established European professional IT firm, the deal goals to scale up its current back end and IT operations.

“The current acquisition reflects the company’s plans of expansion becoming a multi-million page web site operator as well as supporting our current and future IT operations and at the same time reducing the costs of on-going technical support of huge web properties. Taking into serious consideration the long history of XP Solutions Ltd, its expertise and professionalism of more than 50 years accumulated practical experience over internet, our company has decided to acquire rather than establish a brand new one.” said Mr. Oleg Lazarov, CEO of EXIM Internet Group, Inc.
